Family Charities Ethical Trust Factsheet

Investment Objectives

The investment objective of the Family Charities Ethical Trust is to achieve long-term growth over a ten-year period by tracking the Financial Times Stock Exchange ('FTSE') 4Good UK 50 Total Return Share Index ('the Index').

The Index represents the 50 largest companies by market capitalisation quoted on the London Stock Exchange that can demonstrably show they are working towards the following ethical standards:

- Environmental sustainability
- Adapting to and mitigating climate change
- Countering bribery
- Upholding and supporting human rights
- Ensuring good supply-chain labour standards

The Index also avoids investment in companies involved in the production of products such as tobacco and weapons.
